Indroduction

In a few months, we have decided to make a monthly magazine for students. Our purpose is to increase your reading and developing your English language. we added some activities for your improvement. So, we include in this book stories, poems, quotes, exercises, morals, etc.

we need your support for being as to develop our magazine and we have a chance to improve your skills in English by sending your poems, morals, stories, etc. to our Gmail and we will get better from them. And you will get many rewards by sending the code of your book.

Memories of The School

After many days I reached the,
Steps of the school,
All my old memories came back.
Each of the classrooms smiled at me!
The talent of my old teacher came to me.
Will it ever be possible for me to,
Recovery you?
When you reach the schoolyard,
If you have family problems that will go.
Can't think about those days,
Cause it will fill my eyes.
I want those days back.

Albert Einstein

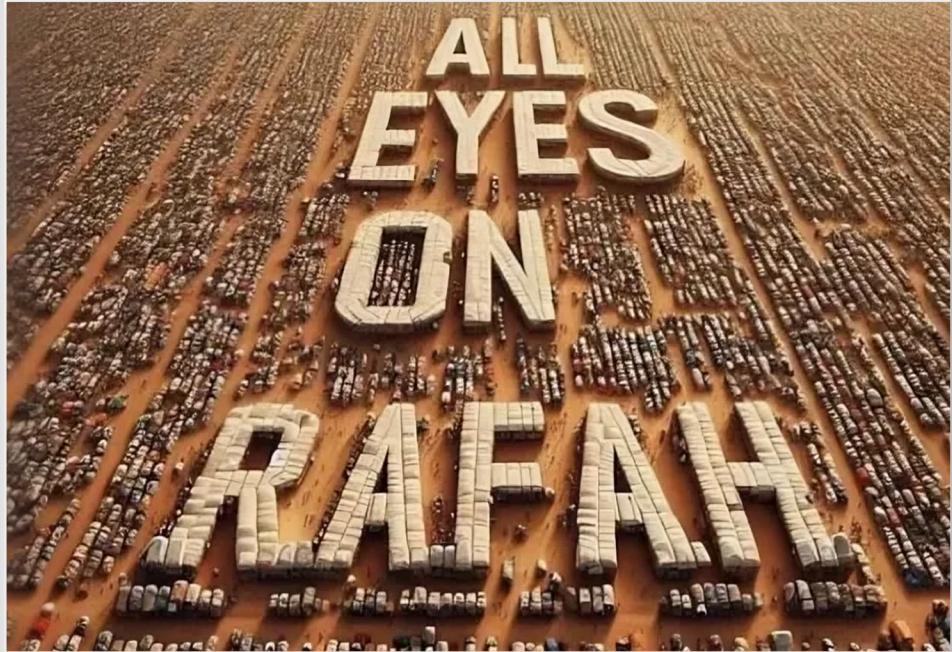

Albert einstein born was in 1879. He was one of the greatest of all physicist and his name has become a symbol of genius. When his most famous work, the general theory of relativity, was proven in 1919, einstein became the most celebrated scientist in the world. And he won the Nobel prize for physics in 1921. Einstein was a firm believer in pacifism, but his scientific theories helped the adopt-

ed country the USA to develop the atomic bomb. A week before he died einstein wrote to Bertrand Russell a British philosopher and leading anti-nuclear campaigner, asking to put his name to a manifesto urging all countries to give up their nuclear weapons. He was German-American. He died in 1955.

Little Lila

In a quiet village nestled between rolling hills and lush forests, lived a little girl named Lila. At just six years old, she was known as "Little Lila" because of her small stature and gentle nature. Lila had a heart full of curiosity and a mind brimming with dreams.

Every morning, she would venture into the woods, her trusty satchel swinging by her side. She loved to collect wildflowers, their vibrant colors painting her path. One day, while exploring a new trail, she stumbled upon a tiny, sparkling stream. The water was crystal clear, reflecting the sunlight like a thousand diamonds.

As Lila followed the stream, she discovered a hidden grove where the trees whispered secrets and the air smelled of sweet jasmine. In the center of the grove stood an ancient tree with a door carved into its trunk. Her heart pounding with excitement, Lila knocked softly. To her amazement, the door creaked open, revealing a world of magic and wonder waiting just for her.
